

Faith Acts for Education: Mobile Messaging Terms of Service

Effective Date: July 1, 2024

This Policy is for Mobile / SMS Messaging Only.

This policy governs use of our SMS Message Service (“Service”). Please read it carefully to understand how we collect, use, and manage your phone numbers.

We collect your phone number when you voluntarily provide them to us, for example, when you sign up for messaging and other alerts. This Service is used to send you notifications about FaithActs programming/events and upcoming civic engagement opportunities (e.g. election day reminders and information).. SMS messaging charges may be applied by your carrier. We will only share your phone number with our SMS provider, subject to their privacy policy. We use Bonterra/EveryAction to send all SMS communications to users who have opted in.

When you opt into the SMS service, we will send you an SMS message to confirm your signup.

If at any time you wish to stop receiving SMS communications from us, you can opt out by:

- Texting STOP
- Texting UNSUBSCRIBE
- Texting CANCEL
- Texting QUIT

Please note that the opt-out process may take up to 72 hours to become effective. During this time, you may still receive some messages from us.

We may periodically update this policy. We will notify you about significant changes in the way we treat your information by placing a prominent notice on our site.

For questions regarding our privacy, see our Privacy Policy on our website.
